

Playing for Keeps Funding Guidelines

What is Playing for Keeps?

We strive to give all children and youth the opportunity to experience the fun of being a child and to not be excluded from the activities their friends are enjoying. The Playing for Keeps Program helps to pay registration fees for families who may not otherwise be able to. Sports and recreational activities help children develop physical skills, get exercise, make friends, have fun, learn to play as a member of a team and improve self esteem.
