In support of

**The Children's  
Foundation**

Helping One Child at a Time

October 2, 2024  
6am - 6pm

# Join Us!

Established in 2020 as a means of connecting with the community during the isolation phases of the pandemic, the Kids Can't Wait Radiothon continues to be a signature event for The Children's Foundation. This **one-day, 12-hour event** raises awareness of children living with extreme hardship and fundraises to provide enriching experiences and life-changing supports. This single event makes a difference for hundreds of disadvantaged children in our region. In 2024 we are excited to have 9 radio stations across Hastings, Northumberland, and Prince Edward County participating. This offers both a regional and local presence as we raise money for kids in all regions.

Did you know?

Over 700 children and youth living with their families are considered at risk of abuse, neglect, or abandonment in our region and are under the close watch of Highland Shores Children's Aid.

Less than 10% are living in foster homes, institutional settings, or with extended family as a result of these situations. The others are working with the HSCA team who provides support to families to foster nurturing, caring and safe parental relationships.

Each year, an average of 50 youths, age-out of child welfare, often leaving them without any financial or emotional support as they branch out on their own.
